

Aberdeen Township

2015 Community Forestry Status Report

Status is awarded by compliance with the four requirements of the New Jersey Shade Tree and Community Forestry Assistance Act (P.L. 1996, Chapter 135).

Approved Status:

YES

If the box says NO, please check the requirements below to see those that are missing.

To reach and maintain approved status, the community must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

| | | | |
|--------------------------------------|-------------|--|------|
| Initial Management Plan Status | Approved | Initial Management Plan Approved to start in | 1999 |
| Second 5-year Management Plan Status | Approved | Second Management Plan Approved to start in | 2005 |
| Third 5-year Management Plan Status | Approved | Third Management Plan Approved to start in | 2015 |
| Fourth 5-year Management Plan Status | N/A | Fourth Management Plan Approved to start in | |
| ManagementPlanContactName | Paul Rinear | Most Recent Plan Expires on December 31st of | 2019 |

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain Approved Status under the Act. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2015 CEU Credits Number of Individuals Who Have Acquired CEU Credits to date in 2015

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer

Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain Approved Status under the Act. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2015 CEU Credits

Number of Individuals Who Have Acquired CEU Credits to date in 2015

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

2015 Community Forestry Status Report

Status is awarded by compliance with the four requirements of the New Jersey Shade Tree and Community Forestry Assistance Act (P.L. 1996, Chapter 135).

Approved Status:

NO

If the box says NO, please check the requirements below to see those that are missing.

To reach and maintain approved status, the community must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

| | | | |

Bernardsville Borough

2015 Community Forestry Status Report

Status is awarded by compliance with the four requirements of the New Jersey Shade Tree and Community Forestry Assistance Act (P.L. 1996, Chapter 135).

Approved Status:

NO

If the box says **NO**, please check the requirements below to see those that are missing.

To reach and maintain approved status, the community must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

| | | | |
|--------------------------------------|-------------------|--|------|
| Initial Management Plan Status | Approved | Initial Management Plan Approved to start in | 2001 |
| Second 5-year Management Plan Status | Approved | Second Management Plan Approved to start in | 2008 |
| Third 5-year Management Plan Status | Approved | Third Management Plan Approved to start in | 2014 |
| Fourth 5-year Management Plan Status | N/A | Fourth Management Plan Approved to start in | |
| ManagementPlanContactName | Ann Walsh Wazeter | Most Recent Plan Expires on December 31st of | 2018 |

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain Approved Status under the Act. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2015 CEU Credits Number of Individuals Who Have Acquired CEU Credits to date in 2015

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

Annual Accomplishment Report for 2015

2015 Community Forestry Status Report

Status is awarded by compliance with the four requirements of the New Jersey Shade Tree and Community Forestry Assistance Act (P.L. 1996, Chapter 135).

Approved Status:

NO

If the box says NO, please check the requirements below to see those that are missing.

To reach and maintain approved status, the community must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

| | | | |
|--------------------------------------|-------------------|--|------|
| Initial Management Plan Status | Approved | Initial Management Plan Approved to start in | 1999 |
| Second 5-year Management Plan Status | Due 2004 | Second Management Plan Approved to start in | N/A |
| Third 5-year Management Plan Status | N/A | Third Management Plan Approved to start in | N/A |
| Fourth 5-year Management Plan Status | N/A | Fourth Management Plan Approved to start in | |
| ManagementPlanContactName | Joseph Bonaccorso | Most Recent Plan Expires on December 31st of | 2003 |

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain Approved Status under the Act. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2015 CEU Credits Number of Individuals Who Have Acquired CEU Credits to date in 2015

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

Delaware Township

2015 Community Forestry Status Report

Status is awarded by compliance with the four requirements of the New Jersey Shade Tree and Community Forestry Assistance Act (P.L. 1996, Chapter 135).

Approved Status:

NO

If the box says **NO**, please check the requirements below to see those that are missing.

To reach and maintain approved status, the community must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

| | | | |
|--------------------------------------|------------------|--|------|
| Initial Management Plan Status | Approved | Initial Management Plan Approved to start in | 2001 |
| Second 5-year Management Plan Status | Approved | Second Management Plan Approved to start in | 2008 |
| Third 5-year Management Plan Status | Approved | Third Management Plan Approved to start in | 2013 |
| Fourth 5-year Management Plan Status | N/A | Fourth Management Plan Approved to start in | |
| ManagementPlanContactName | David Schumacher | Most Recent Plan Expires on December 31st of | 2017 |

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain Approved Status under the Act. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2015 CEU Credits Number of Individuals Who Have Acquired CEU Credits to date in 2015

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

2015 Community Forestry Status Report

Status is awarded by compliance with the four requirements of the New Jersey Shade Tree and Community Forestry Assistance Act (P.L. 1996, Chapter 135).

Approved Status:

NO

If the box says NO, please check the requirements below to see those that are missing.

To reach and maintain approved status, the community must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

| | | | |
|--------------------------------------|------------------|--|------|
| Initial Management Plan Status | Approved | Initial Management Plan Approved to start in | 2001 |
| Second 5-year Management Plan Status | Approved | Second Management Plan Approved to start in | 2007 |
| Third 5-year Management Plan Status | Approved | Third Management Plan Approved to start in | 2012 |
| Fourth 5-year Management Plan Status | Approved | Fourth Management Plan Approved to start in | 2017 |
| ManagementPlanContactName | Ken Baudendistel | Most Recent Plan Expires on December 31st of | 2021 |

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain Approved Status under the Act. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2015 CEU Credits Number of Individuals Who Have Acquired CEU Credits to date in 2015

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

Annual Accomplishment Report for 2015

Franklin Township-Gloucester

2015 Community Forestry Status Report

Status is awarded by compliance with the four requirements of the New Jersey Shade Tree and Community Forestry Assistance Act (P.L. 1996, Chapter 135).

Approved Status:

NO

If the box says NO, please check the requirements below to see those that are missing.

To reach and maintain approved status, the community must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

| | | | |
|--------------------------------------|------------------|--|------|
| Initial Management Plan Status | Approved | Initial Management Plan Approved to start in | 2011 |
| Second 5-year Management Plan Status | Due 2016 | Second Management Plan Approved to start in | N/A |
| Third 5-year Management Plan Status | N/A | Third Management Plan Approved to start in | N/A |
| Fourth 5-year Management Plan Status | N/A | Fourth Management Plan Approved to start in | |
| ManagementPlanContactName | Suzanne McCarthy | Most Recent Plan Expires on December 31st of | 2015 |

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain Approved Status under the Act. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2015 CEU Credits Number of Individuals Who Have Acquired CEU Credits to date in 2015

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

Galloway Township

2015 Community Forestry Status Report

Status is awarded by compliance with the four requirements of the New Jersey Shade Tree and Community Forestry Assistance Act (P.L. 1996, Chapter 135).

Approved Status:

YES

If the box says NO, please check the requirements below to see those that are missing.

To reach and maintain approved status, the community must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

| | | | |
|--------------------------------------|---------------|--|------|
| Initial Management Plan Status | Approved | Initial Management Plan Approved to start in | 2008 |
| Second 5-year Management Plan Status | Approved | Second Management Plan Approved to start in | 2013 |
| Third 5-year Management Plan Status | N/A | Third Management Plan Approved to start in | N/A |
| Fourth 5-year Management Plan Status | N/A | Fourth Management Plan Approved to start in | |
| ManagementPlanContactName | Melanie Lynch | Most Recent Plan Expires on December 31st of | 2017 |

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain Approved Status under the Act. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2015 CEU Credits Number of Individuals Who Have Acquired CEU Credits to date in 2015

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

2015 Community Forestry Status Report

Status is awarded by compliance with the four requirements of the New Jersey Shade Tree and Community Forestry Assistance Act (P.L. 1996, Chapter 135).

Approved Status:

YES

If the box says NO, please check the requirements below to see those that are missing.

To reach and maintain approved status, the community must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

| | | | |
|--------------------------------------|---------------|--|------|
| Initial Management Plan Status | Approved | Initial Management Plan Approved to start in | 2007 |
| Second 5-year Management Plan Status | Approved | Second Management Plan Approved to start in | 2012 |
| Third 5-year Management Plan Status | Due 2017 | Third Management Plan Approved to start in | N/A |
| Fourth 5-year Management Plan Status | N/A | Fourth Management Plan Approved to start in | |
| ManagementPlanContactName | Chris Squazzo | Most Recent Plan Expires on December 31st of | 2016 |

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain Approved Status under the Act. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2015 CEU Credits Number of Individuals Who Have Acquired CEU Credits to date in 2015

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

Annual Accomplishment Report for 2015

Hillsdale Borough

2015 Community Forestry Status Report

Status is awarded by compliance with the four requirements of the New Jersey Shade Tree and Community Forestry Assistance Act (P.L. 1996, Chapter 135).

Approved Status:

NO

If the box says NO, please check the requirements below to see those that are missing.

To reach and maintain approved status, the community must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

| | | | |
|--------------------------------------|------------|--|-----|
| Initial Management Plan Status | Grant 2012 | Initial Management Plan Approved to start in | N/A |
| Second 5-year Management Plan Status | N/A | Second Management Plan Approved to start in | N/A |
| Third 5-year Management Plan Status | N/A | Third Management Plan Approved to start in | N/A |
| Fourth 5-year Management Plan Status | N/A | Fourth Management Plan Approved to start in | |
| ManagementPlanContactName | | Most Recent Plan Expires on December 31st of | N/A |

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain Approved Status under the Act. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2015 CEU Credits Number of Individuals Who Have Acquired CEU Credits to date in 2015

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

Hopewell Township-Cumberland

2015 Community Forestry Status Report

Status is awarded by compliance with the four requirements of the New Jersey Shade Tree and Community Forestry Assistance Act (P.L. 1996, Chapter 135).

Approved Status:

NO

If the box says **NO**, please check the requirements below to see those that are missing.

To reach and maintain approved status, the community must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

| | | | |
|--------------------------------------|----------------------------------|--|----------------------------------|
| Initial Management Plan Status | <input type="text" value="N/A"/> | Initial Management Plan Approved to start in | <input type="text" value="N/A"/> |
| Second 5-year Management Plan Status | <input type="text" value="N/A"/> | Second Management Plan Approved to start in | <input type="text" value="N/A"/> |
| Third 5-year Management Plan Status | <input type="text" value="N/A"/> | Third Management Plan Approved to start in | <input type="text" value="N/A"/> |
| Fourth 5-year Management Plan Status | <input type="text" value="N/A"/> | Fourth Management Plan Approved to start in | <input type="text"/> |
| ManagementPlanContactName | <input type="text"/> | Most Recent Plan Expires on December 31st of | <input type="text" value="N/A"/> |

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain Approved Status under the Act. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2015 CEU Credits Number of Individuals Who Have Acquired CEU Credits to date in 2015

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

2015 CEU's To Date

Little Egg Harbor Township

2015 Community Forestry Status Report

Status is awarded by compliance with the four requirements of the New Jersey Shade Tree and Community Forestry Assistance Act (P.L. 1996, Chapter 135).

Approved Status:

NO

If the box says NO, please check the requirements below to see those that are missing.

To reach and maintain approved status, the community must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

| | | | |
|--------------------------------------|------------|--|-----|
| Initial Management Plan Status | Grant 2008 | Initial Management Plan Approved to start in | N/A |
| Second 5-year Management Plan Status | N/A | Second Management Plan Approved to start in | N/A |
| Third 5-year Management Plan Status | N/A | Third Management Plan Approved to start in | N/A |
| Fourth 5-year Management Plan Status | N/A | Fourth Management Plan Approved to start in | |
| ManagementPlanContactName | | Most Recent Plan Expires on December 31st of | N/A |

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Donna Doherty Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain Approved Status under the Act. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2015 CEU Credits Number of Individuals Who Have Acquired CEU Credits to date in 2015

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

Annual Accomplishment Report for 2015 Due 2/15/2016

To reach and maintain approved status, the community must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

| | | | |
|--------------------------------------|-------------|--|------|
| Initial Management Plan Status | Approved | Initial Management Plan Approved to start in | 2001 |
| Second 5-year Management Plan Status | Approved | Second Management Plan Approved to start in | 2006 |
| Third 5-year Management Plan Status | Approved | Third Management Plan Approved to start in | 2011 |
| Fourth 5-year Management Plan Status | Approved | Fourth Management Plan Approved to start in | 2017 |
| ManagementPlanContactName | Shari Spero | Most Recent Plan Expires on December 31st of | 2020 |

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain Approved Status under the Act. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2015 CEU Credits Number of Individuals Who Have Acquired CEU Credits to date in 2015

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

Annual Accomplishment Report for 2015

Millburn Township

2015 Community Forestry Status Report

Status is awarded by compliance with the four requirements of the New Jersey Shade Tree and Community Forestry Assistance Act (P.L. 1996, Chapter 135).

Approved Status:

YES

If the box says NO, please check the requirements below to see those that are missing.

To reach and maintain approved status, the community must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

| | | | |
|--------------------------------------|-------------|--|------|
| Initial Management Plan Status | Approved | Initial Management Plan Approved to start in | 2000 |
| Second 5-year Management Plan Status | Approved | Second Management Plan Approved to start in | 2005 |
| Third 5-year Management Plan Status | Approved | Third Management Plan Approved to start in | 2010 |
| Fourth 5-year Management Plan Status | Approved | Fourth Management Plan Approved to start in | 2015 |
| ManagementPlanContactName | Thomas Doty | Most Recent Plan Expires on December 31st of | 2019 |

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain Approved Status under the Act. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2015 CEU Credits Number of Individuals Who Have Acquired CEU Credits to date in 2015

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

Monroe Township-Middlesex

2015 Community Forestry Status Report

Status is awarded by compliance with the four requirements of the New Jersey Shade Tree and Community Forestry Assistance Act (P.L. 1996, Chapter 135).

Approved Status:

NO

If the box says **NO**, please check the requirements below to see those that are missing.

To reach and maintain approved status, the community must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

| | | | |
|--------------------------------------|--------------|--|------|
| Initial Management Plan Status | Approved | Initial Management Plan Approved to start in | 1999 |
| Second 5-year Management Plan Status | Approved | Second Management Plan Approved to start in | 2005 |
| Third 5-year Management Plan Status | Approved | Third Management Plan Approved to start in | 2010 |
| Fourth 5-year Management Plan Status | Due 2015 | Fourth Management Plan Approved to start in | |
| ManagementPlanContactName | Gary Lovallo | Most Recent Plan Expires on December 31st of | 2014 |

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain Approved Status under the Act. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2015 CEU Credits Number of Individuals Who Have Acquired CEU Credits to date in 2015

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

2015 Community Forestry Status Report

Status is awarded by compliance with the four requirements of the New Jersey Shade Tree and Community Forestry Assistance Act (P.L. 1996, Chapter 135).

Approved Status:

NO

If the box says NO, please check the requirements below to see those that are missing.

To reach and maintain approved status, the community must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

| | | | |
|--------------------------------------|----------------------------------|--|----------------------------------|
| Initial Management Plan Status | <input type="text" value="N/A"/> | Initial Management Plan Approved to start in | <input type="text" value="N/A"/> |
| Second 5-year Management Plan Status | <input type="text" value="N/A"/> | Second Management Plan Approved to start in | <input type="text" value="N/A"/> |
| Third 5-year Management Plan Status | <input type="text" value="N/A"/> | Third Management Plan Approved to start in | <input type="text" value="N/A"/> |
| Fourth 5-year Management Plan Status | <input type="text" value="N/A"/> | Fourth Management Plan Approved to start in | <input type="text"/> |
| ManagementPlanContactName | <input type="text"/> | Most Recent Plan Expires on December 31st of | <input type="text" value="N/A"/> |

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain Approved Status under the Act. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2015 CEU Credits Number of Individuals Who Have Acquired CEU Credits to date in 2015

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

Annual Accomplishment Report for 2015

To reach and maintain approved status, the community must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

| | | | |
|--------------------------------------|----------------------|--|----------------------|
| Initial Management Plan Status | <input type="text"/> | Initial Management Plan Approved to start in | <input type="text"/> |
| Second 5-year Management Plan Status | <input type="text"/> | Second Management Plan Approved to start in | <input type="text"/> |
| Third 5-year Management Plan Status | <input type="text"/> | Third Management Plan Approved to start in | <input type="text"/> |

2015 Community Forestry Status Report

Status is awarded by compliance with the four requirements of the New Jersey Shade Tree and Community Forestry Assistance Act (P.L. 1996, Chapter 135).

Approved Status:

NO

If the box says **NO**, please check the requirements below to see those that are missing.

To reach and maintain approved status, the community must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

| | | | |
|--------------------------------------|---------------|--|------|
| Initial Management Plan Status | Approved | Initial Management Plan Approved to start in | 2008 |
| Second 5-year Management Plan Status | Approved | Second Management Plan Approved to start in | 2017 |
| Third 5-year Management Plan Status | N/A | Third Management Plan Approved to start in | N/A |
| Fourth 5-year Management Plan Status | N/A | Fourth Management Plan Approved to start in | |
| ManagementPlanContactName | Linda Roetman | Most Recent Plan Expires on December 31st of | 2021 |

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain Approved Status under the Act. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2015 CEU Credits Number of Individuals Who Have Acquired CEU Credits to date in 2015

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain Approved Status under the Act. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2015 CEU Credits Number of Individuals Who Have Acquired CEU Credits to date in 2015

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

Somerville Borough

2015 Community Forestry Status Report

Status is awarded by compliance with the four requirements of the New Jersey Shade Tree and Community Forestry Assistance Act (P.L. 1996, Chapter 135).

Approved Status:

YES

If the box says NO, please check the requirements below to see those that are missing.

To reach and maintain approved status, the community must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

| | | | |
|--------------------------------------|--------------|--|------|
| Initial Management Plan Status | Approved | Initial Management Plan Approved to start in | 2002 |
| Second 5-year Management Plan Status | Approved | Second Management Plan Approved to start in | 2008 |
| Third 5-year Management Plan Status | Approved | Third Management Plan Approved to start in | 2014 |
| Fourth 5-year Management Plan Status | N/A | Fourth Management Plan Approved to start in | |
| ManagementPlanContactName | Gina Stravic | Most Recent Plan Expires on December 31st of | 2018 |

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain Approved Status under the Act. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2015 CEU Credits Number of Individuals Who Have Acquired CEU Credits to date in 2015

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

Annual Accomplishment Report for 2015

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain Approved Status under the Act. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain Approved Status under the Act. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2015 CEU Credits Number of Individuals Who Have Acquired CEU Credits to date in 2015

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain Approved Status under the Act. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2015 CEU Credits Number of Individuals Who Have Acquired CEU Credits to date in 2015

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

Annual Accomplishment Report for 2015

If the tables are blank then there are no records on file.

CORE Trained Representatives
